The Beginning...

Curtis and Martha Bourgeois purchased land on the Missouri River bluff in 1974 to pursue their hobby of winemaking. What began as a hobby boomed into a full service vineyard, winery, and event space over the years. The beautiful Missouri oak built structure sits atop the Bluff Top in perfect harmony with the surrounding nature. Les Bourgeois offers both the romantic charm of a rural vineyard, along with a convenient location midway between Kansas City and St. Louis and only a minute off of I-70. Our event team is here to help you with everything from the ceremony site, into the reception space that boasts a full service bar and gourmet catered menu. We would love to help you celebrate your special day at the most unique wedding destination in mid-Missouri.
