The Blufftop at Rocheport is a trailside vineyard retreat located just 10 miles west of Columbia. With an unbeatable river view, The Blufftop is the perfect locale for your dream winery wedding whether you have 25 guests or 200.

The Blufftop is the home of Les Bourgeois Vineyards, founded in 1985, and offers a destination that feels like home.

*We perfect the small details that
make up the big moments.*

ABOUT EVENTS ON THE BLUFFTOP AT ROCHEPORT

There are several different event venue options for you to choose from on our properties. Whether you are looking for an intimate, casual gathering or a more formal, elegant setting, we can find the right fit for you.

When you arrive at The Blufftop, you are greeted by rows of Les Bourgeois Vineyards Norton vines as you head toward the ample parking lot atop the hill which leads down to The Bistro, its private event spaces, and blufftop overlook. Our professional and courteous staff can help guide your way from the beginning of our picturesque, winding walkway that frames a one-of-kind view, all the way to the wedding aisle with ease. We perfect the small details that make up the big moments.

The Bistro building offers three unique event spaces or you can rent the entire building. The Terrace is the lower floor of The Bistro building that opens onto the blufftop overlook which is the perfect setting for a breathtaking, outdoor wedding ceremony. The Loft space is the top floor of the building that is ideal for smaller groups and has its own private balcony offering an expansive view. Or the entire building can be rented including the main floor of The Bistro for larger events.

Our three guest house properties each offer unique architecture and atmospheres. Founder's Point is located on The Blufftop property, nestled between The Bistro and The A-Frame. It's a great option for your wedding party to get ready. Trailside Suites and The 1912 are on our property next to the Katy Trail and would be great for family and the small gatherings that surround the wedding day.

Ceremonies take place on The Blufftop lawn overlooking the beautiful Missouri River valley. With ample room for the biggest bridal parties to the most intimate of ceremonies, the stone walkway is the perfect place to say I do.

ADDITIONAL INFORMATION

- **Blufftop Rehearsal for Weddings:** Rehearsals are available free of charge for any wedding ceremony booked. However, they do still need to be scheduled through the Private Events department. Rehearsals are available at set times to allow for other event setup. Rehearsals are self lead outside on the blufftop and are typically allotted one hour. The Blufftop does not offer staffing or coordination for rehearsals. The group is welcome to purchase drinks through the bistro's bar if desired. Please keep in mind that you may not have access to the indoor area based on other events.
- **Weddings at The A-Frame:** Due to the casual and public nature of our a-frame facility as well as our limited availability of special event supplies, and the possibility of inclement weather, we are unable to offer full wedding and event services at the A-frame location. We do have private deck rentals for a rehearsal dinner or shower options.
- **Custom Bridal Party Gifts:** Whether you're thanking your loved ones for helping with your big day or wanting to ask them to stand next to you in a creative way - our team can work with you to create custom & unique gifts they will appreciate receiving. Etched bottles & glasses, Custom fabricated gift boxes, bottles of wine with custom designed labels, engraved flasks, & more are available.
